## 118<sup>th</sup> Annual Central District Volunteer Fireman's Association Convention

Hosted by: Clymer Volunteer Fire Company #1

### CAMPING RULES AND REGULATIONS

1. It is the responsibility of the Host Fire Company to provide a suitable site for camping to handle tents, trailers, and RV's. The site should have an entrance and exit to allow easy access and a makeshift roadway to allow emergency vehicles to enter the camping site. Sufficient 'Port-A-Johns' and garbage containers or dumpsters (depending on the size of the site) should be made available, while providing water and sewage hookups is optional. The Host Fire Company must charge an adequate fee to cover their cost in providing restrooms, garbage pickup, police protection, and final site cleanup. The Central District Association is not responsible for any of the cost incurred in having the campsite.
2. To obtain a campsite, the individual must be a member of the Central District Fireman's Association or a member of a Fire Company which is a member of the Central District Fireman's Association. That person will be designated as the Person in Charge (PIC) of the campsite. He/she will be responsible to the Host Company and the Central District Fireman's Association if any problems arise from their campsite. Also a roster of all persons staying overnight at the site must be submitted and if necessary, updates during the convention.
3. The following is STRICTLY PROHIBITED in the campsite:
  - A. Fireworks (M-80's, etc.) of ANY TYPE.
  - B. Weapons of ANY TYPE.
  - C. Lewd and immoral activity in public.
  - D. Fighting and any other types of physical altercations.
  - E. Based upon local conditions, the Host Company can have other restrictions.
4. All laws pertaining to alcohol consumption and substance abuse must be observed.
5. The campsite should represent a healthy and safe environment for all.
6. Violation of ANY of the above rules will result in the campsite being closed down and the individuals removed from the Convention town. In addition, said person/persons will not be permitted to camp at the following convention. Also the notice of the violation will be forwarded to the Home Fire Department.
